We still have some outstanding meeting summaries from the Navy.

The attached files are those that still need some review, though Bob Whittier did provide comments on the April 28 teleconference summary and the SME meeting day 1 summary. What would be helpful to me is if either Roxanne or Steve could let me know if comments on a particular document are final from DOH or if we are waiting to hear from additional people.

1. 4550 Section 3-Clarification Mtg – Summary 2016 05 04: This one is pretty straightforward, I have no comments.
2. AOC_SOW Section 2 phone conference 19 April 2016: This one is also straightforward, I have no comments. On April 25, 2016 Terry Regin followed up on Action item #1 and submitted an email (attached) with clarifying language. On April 27, 2016, Omer concurred with the email (attached), as per Action item #2 and forwarded to DOH for concurrence. I have not been able to locate any response from DOH. Please follow up.
3. Meeting Summary 28 April 2016 Section 6 & 7 w Regulatory Agency comments: Bob Whittier made some comments/additions that have been incorporated into the meeting summary
4. Red Hill AOC Third Party SME Draft 20160510 Day 1 Summary 27 May 16 with Reg Agency edits: Bob Whittier made some corrections and additions
5. Red Hill AOC Third Party SME Draft 20160511 Day 2 Summary 27 May 16 with Reg Agency comments: I made some comments, please read and let me know if you concur. Add additional comments if necessary
6. Red Hill AOC Third Party SME Draft 20160512 Day 3 Summary 27 May 16 with Reg Agency comments: I made some comments, please read and let me know if you concur. Add additional comments if necessary

Please provide any additional comments or your concurrence by Monday June 20.
